YOU BETTER BELIEVE YOU CAN PLAY

FROGGER, CROC, RAMPAGE WORLD
TOUR AND MORE!!!

Other games talk about their characters,
Oddworld's characters speak for themselves.

ODDWORLD: ABE'S ODDYSEE walks the walk and talks the talk. Communicate with other characters. For real. With just your D-Pad and your brain. It's called Gamespeak. And when you've got an entire race to save from the deli counter it could come in handy.

To recruit your buddies. To confuse hungry enemies. To get your stubborn steed going. Or just to whistle while you work.

For Odd's sake, do something different. Chow down on ODDWORLD's pure nugget of surreal, sensory overload gaming.

You'll never be hungry again.
